

* Design Sheet *

cheers for choosing engravely customs

Like a trusty lube, this form is designed to make this process as smooth as possible. Provide a few vital details below, and if you have any questions just flick me an email or a phone call.

If you don't already, be sure to stalk me on social media: [@engravelycustomsnz](#) [engravelycustomsnz](#)

Who are ya?

Name:

Email: Phone number:

Courier Address:

Street:

Town: Post code: Area:

Rural post? yes / no

How did you find Engravely customs?

(word of mouth, advertising, social media, returning customer etc.)

What'd yah like?

I currently stock a selection of derby and points covers for a variety of Harley models. If you're after covers for a different make of bike, I can either track them down or you can supply your own.

Derby cover Points cover Matching set of both

Matte black Gloss black Chrome Supplying custom painted*

Measure once, cuss twice: Let's double check we've got all the right info:

What year and model is your Harley Davidson? _____

	What's the measurement of your current Derby?	Number of screws your current derby has:
Derby	<input type="radio"/> 6.3" / 16.002cm	
	<input type="radio"/> 6.375" / 16.1925cm	
	<input type="radio"/> 6.4" / 16.256cm	3
	<input type="radio"/> 6.675" / 16.9545cm	4
	<input type="radio"/> 7.25" / 18.415cm	5
	<input type="radio"/> 7.75" / 19.685cm	6

	Measurement of current points cover?	Number of screws your current points cover has:
Points	<input type="radio"/> 3 1/8" / 2 horizontal	
	<input type="radio"/> 3 1/8" / 2 vertical	
	<input type="radio"/> 3" / 5 holes	3
	<input type="radio"/> 2 1/2" / 2 horizontal	4
		5
		6

Almost there, flip me over for the second half...

What's yah plan?

Derby Cover

- 1. Draw the holes as per your current derby cover
- 2. Draw your design
Scribble away in the circle to the left.
If you don't have a specific logo or image, let me know what you have in mind and I can pull a design together*.

*Please note, design work may incur additional costs.

3. confirm your text here:

.....

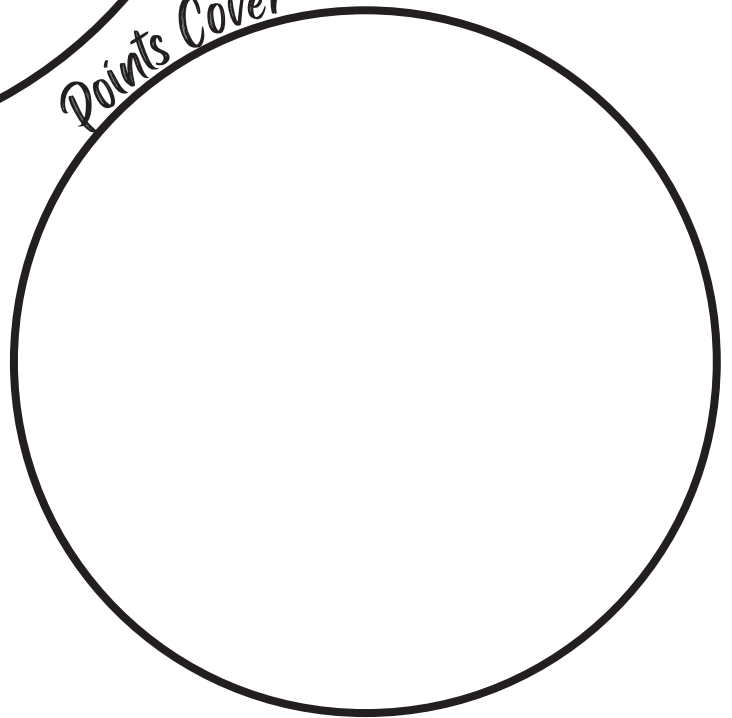

.....

.....

4: specific font? yes / no

Font name:

Points Cover

1. Draw the holes as per your current points cover

2. Draw your design:

3: confirm your text here:

.....

.....

.....

4: specific font? yes / no

Font name:

Once you're done:

email me: @ engravelycus+omsnz@gmail.com

- completed form
- JPEG / PNG file if you have a specific image/s
- permission to use official logos/images as required
- font files if you'd like a specific font
- 50% deposit must be paid prior to completion of design proof.

Final steps:

- I'll confirm that all info required and your deposit has been received, then email you a design proof a.s.a.p.
- once you approve the design proof, final payment must be made prior to laser work starting.
